\* Does your child have dietary requirements and use the canteen? Please send or bring, to the front office, a photo and your requirements for your child, to advise what they can and can't eat. Even if you use Flexischools, there is still the possibility of students buying food over the counter at recess and lunch with money (sometimes from friends). We need to make sure that volunteers serving know what your child can and can't have.

\* HOT CROSS BUNS - will be available as a lunch and recess treat till the end of term. It is now available under the health treats section on Flexischools to order each day. \$1.50 per bun (with or without butter).
