LIBRARY NEWS

Overdue Books

Could you please ask your children to find or help your children find their overdue books? ALL LIBRARY BOOKS must be returned before **Friday 29 November**. The library will be closed for stocktake as of this date.

Currently there are more than 800 books overdue. Please respect the borrowing rules and return books promptly. We understand that books can get lost or become damaged. If you cannot find the books at home, please check the classroom bookshelves, tote trays etc. If your child has lost or damaged a book, please speak with Vicki in the library.

Help Wanted

There is always a need for parent helpers to assist with library tasks. If you have some spare time, even if it is 5-10 minutes, there are books to shelve and other small jobs to do in the library.
