Year 1 Zoo Excursion - **Due 12 March** Nutrition Magician - **Due 12 March**

French Film - **Due 9 March**

Medical Notes - **Please update medical notes and medication with Front Office**

NATIONAL RIDE2SCHOOL DAY

Friday 19 March 2021

Miles Franklin will be participating in National Ride2School Day again this year.

Please mark this day on your calendar and consider participating in this year's initiative.

Participating students will be greeted and congratulated upon arrival at school with small tokens of appreciation from the Ride2School program.

It is hoped that the experience encourages more students to ride, walk or scooter to school on a regular basis.

If you have any questions about the day please email Michele Davis - michele.davis@ed.act.edu.au

Thursday 18th March

Harmony Day and National Day Against Bullying

On Thursday the 18th of March we will be having some special events at school to celebrate Harmony Day and to observe the National Day of Action Against Bullying and Violence.

Children can come to school dressed up in a *costume from another country* or they can wear a piece of **orange** coloured clothing. Parents do not need to purchase elaborate costumes. Children may like to bring a small flag from their country of origin.

At 9.10 am, children will attend a special Harmony Day Assembly on the blacktop. The assembly will finish with a parade where the children will be able to display their multicultural costumes.

On Harmony Day, children are invited to bring a plate of food to share with their classmates at the lunch break. Students may bring a multicultural sweet or savoury snack. Cakes, biscuits, breads, crackers, sweets or fruits will work well. These will be served to children by staff.

All foods will need to be nut-free and not require refrigeration. Please note, we are unable to heat up food.

Jenny Hudson, Jacqui Green & Amy Malusa

The Harmony Day Team

Please help!

Dear Families,

Our school is asking for donations of 'Woolworths Discovery Garden' seed pots. These donations will be greatly appreciated by our Green Team who will use them to grow produce in the school garden. Year levels may also use this resource as part of their units of inquiry.

Please hand your seed pot donations to the front office.

Thank you for your support in engaging our children's environmental learning.
