Principal's Message

I would like to thank the families who attended Heather Goodall's funeral on Tuesday and all the families and local community members who have been and will be supporting the three girls in our school. Your kindness and generosity is amazing and is appreciated by all.

Chris

K - Yr 2 Reading Sessions

Our reading support teachers will hold a parent information session on how parents can support their children with reading.

The sessions will be held on Tuesday 10th March (week 6) in the Library.

Morning Session: 8.40-9.00am

Afternoon Session: 3.10-3.30pm

There are two sessions (families only need to attend one)

During the session we will be handing out to families their child's/children's reading folders.

If you have any questions please do not hesitate to contact the Year Coordinator Georgina.
